The Snows Of Kilimanjaro And Other Stories Ernest Hemingway boken PDF

Men and women of passion and action live, fight, love and die in scenes of dramatic intensity. From haunting tragedy on the snow-capped peak of Kilimanjaro to brutal sensationalism in the bullring; from rural America with its deceptive calm to the heart of war-ravaged Europe, each of the stories in this classic collection is a feat of imagination, and a masterpiece of description. The Snows of Kilimanjaro is one of the best known and loved collections of stories by one of the greatest literary novelists of the twentieth century.
